

GoIntuition.com – *Journey to Heaven: An Insider's Guide to the Afterlife* by Anne Salisbury PhD and Greg Meyerhoff

Crossing Over ... What Happens After Death? Channeled Answers from the Other Side.

Physsie showed up at the front door in her underwear in the middle of the night six months after she died. "I'm ready to get going on the book," she said. Anne Salisbury and Greg Meyerhoff were shocked. As intuitives, they weren't surprised to encounter Anne's mother in a vision. Before she had died, they had promised her that she would write a book with them from the other side that explains the afterlife--they just hadn't anticipated so dramatic a starting point.

The answers given by Physsie and the loving group consciousness *All That Is*, communicated telepathically through Anne, are revealed in ***Journey to Heaven***.

This book is unique. As a medium, Anne shares with you the messages and experiences of those who have crossed over. As a channel of higher wisdom, Anne offers you insights into the deeper purpose of life on both sides. If you have ever wondered about the afterlife, the transition of a loved one or your own crossing over, this is for you.

- **Understand what death really is.**
- **Discover the realities of heaven.**
- **Learn how to create a better afterlife now.**
